VI. NEW BUSINESS

1. Historic Preservation Review (Demolition) of a commercial building at 1619 Parade Circle.

Application No.: HPB25-028

Applicant: Pece of Mind Environmental, Inc

Owner: DIC Holdings, LLC

Emily Kunkel provided an overview of the application and stated that staff finds that the request is consistent with the City's Land Development Regulations, Section 33-35.01. However, staff finds that not enough information has been provided to determine the integrity of the structure. The redevelopment of the site into an industrial use, could benefit the surrounding neighborhood, as this is surrounded by other Industrial zoning and uses, both the County and the City. The redevelopment of this site will not require review by the Historic Preservation Board, because it is not located in any Historic Districts or Support Districts, the demolition requires Historic Preservation and City Commission action due to the age of the structure (prior to 1950).

The owner of the property, Lance Samardge, on behalf of DIC Holdings, LLC provided a brief overview of the request and plans for redevelopment.

Solomon Greene and Scott Price stated, the redevelopment would be more consistent with the area, as this structure is currently surrounded by industrial uses.

Board members inquired if any historical data or information has been found for this property, previous uses of the property, water/sewer connection to the property, impact fee credits for redevelopment, and the existing structure foundation.

Emily Kunkel stated staff was unable to find any historical significance information, the property is not currently on City sewer, believed to be a well, impact fee credits can be applied if the fixture count is completed prior to demolition, and the structure is on pier foundation.

Emily Kunkel stated that the board recommendation will be forwarded to the City Commission for final review.

Scott Price motioned for approval of the Historic Preservation Review (Demolition) of a commercial building built prior to 1950 at 1619 Parade Circle. William Hoffman seconded the motion. (5-0)

2. Historic Preservation Month - May 2025

City of DeLand Local Register Designation Plaques

Emily Kunkel provided an overview of the Local Register of Historic Places and that the staff memo provided in the agenda packet incorrectly stated \$2,500. The City has allocated \$2,000 in the annual budget to purchase plaques for the twenty-seven (27) properties designated. Staff requested direction from the board members for their preferred plaque option, criteria/process for initial property selection and future selection and the process for funding after the initial \$2,000 has been exhausted.

Discussion ensued amongst the board members, regarding the style of the plaque, installation process of the plaques on the buildings or structures, the cost of installation and funding for the plaques.

Emily Kunkel stated she will research how other jurisdictions have the plaques installed, if it's the responsibility of the homeowner or City Staff and update the board at the next meeting.

As of March 2025, there are twenty-seven (27) properties on the local register. The Historic Preservation Board provided Staff with direction regarding the initial selection, funding, and voted in favor of the following:

1. The \$477 rectangular plaque option, with the addition of a name plate to include the name of property and the year built.
2. The program to be a voluntary program, any property owner on the Local Register, that would like to have a plaque may request one from the Historic Resource Coordinator.
3. The criteria/process for the initial property selection shall be chronological order of the designation date.
4. The City shall utilize the initial \$2,000 allocated funds to pay for the initial plaques in chronological order of the designation date.
5. Once the initial \$2,000 is exhausted, and if the city cannot obtain a grant or allocated city funds to cover the full cost, the property owner shall pay half and the City will cover the other half.
6. The City shall continue to request additional funds in the City budget for the remainder of the plaques, but if the property owner would like to pay full price for the plaque, they may.

Emily Kunkel stated she will draft an application process and agreement, for the board to review at the next meeting to ensure all the details have been captured.

Solomon Greene motioned for approval of the City of DeLand Local Register Designation Plaques preferred plaque option to be rectangular with a nameplate added, the initial property selection to be chronological order of the designation date, once the initial \$2,000 has been exhausted, property owner and City cover cost 50/50. Matthew West seconded the motion. (5-0)

3. "Favorite 5" Initiative Multi-Media Campaign

Central Florida campaign, hosted by MainStreet Apopka and AIA Orlando Historic Resources Committee for Historic Preservation Month, May 2025.

Emily Kunkel provided an overview of the "Favorite 5" Multi-Media Campaign and the staff memo provided in the agenda packet includes the criteria to participate as well as the properties on our local historic registry and the national historic registry.

Discussion ensued amongst the board members regarding which properties to include in the campaign, and they unanimously chose to include Stetson Hall, Masonic Lodge, Artisan Hotel, Stetson Mansion, Historic DeLand Hospital, and the Henry DeLand House. The board members will send Emily Kunkel an email with interesting facts and staff will create the submissions for the board to review at the next meeting.

Solomon Greene motioned for approval of the "Favorite 5" Initiative Multi-Media Campaign to include Stetson DeLand Hall, Masonic Lodge, Artisan Hotel, Stetson Mansion, Historic DeLand Hospital, and Henry DeLand House. Scott Price seconded the motion. (5-0)

VII. STAFF UPDATES

Emily Kunkel provided an overview of the Historic Resource Survey Grant and stated that the City secured Terracon Consultants, Inc. through the Request for Proposal process (RFP25-02) to complete the survey, including the necessary research and field work. City staff and Terracon staff had a kickoff meeting in December 2024 and discussed the proposed survey boundary.

Per the executed agreement with the City and Department of State, Division of Historical Resources, the project shall be completed by June 30, 2025. City Staff will provide copies of the FMSF forms and final report to the Historic Preservation Board for review. Once the survey is complete, the Board may consider an expansion of historic district boundaries to include any additional historic properties based on the updated information provided in the FMSF.

As there was no further business, the meeting adjourned at 5:42 P.M.

MEMORANDUM

DATE: April 3, 2025
TO: Historic Preservation Board
FROM: Emily Kunkel, *Planner II/Historic Preservation Coordinator*
RE: FY2024/2025 Local register of historic places plaques (Historic Markers)

At the March 6, 2025 Historic Preservation Board meeting, staff presented the Local Register of Historic Places plaque item for the board member's review and to provide staff with direction on how to proceed with the program.

As of March 2025, there are twenty-seven (27) properties on the local register. The Historic Preservation Board provided Staff with direction regarding the initial selection, funding, and voted in favor of the following:

1. The \$477 rectangular plaque option, with the addition of a name plate to include the name of property and the year built.
2. The program to be a voluntary program, any property owner on the Local Register, that would like to have a plaque may request one from the Historic Resource Coordinator.
3. The criteria/process for the initial property selection shall be chronological order of the designation date.
4. The City shall utilize the initial \$2,000 allocated funds to pay for the initial plaques in chronological order of the designation date.
5. Once the initial \$2,000 is exhausted, and if the city cannot obtain a grant or allocated city funds to cover the full cost, the property owner shall pay half and the City will cover the other half.
6. The City shall continue to request additional funds in the City budget for the remainder of the plaques, but if the property owner would like to pay full price for the plaque, they may.

Staff previously obtained three quotes from the American Bronze Foundry, for different plaque options with the price range for each plaque from \$477 - \$604. The quotes were to show the Historic Preservation Board examples of designs, verbiage, and prices. Since the March 6th Historic Preservation Board meeting, staff obtained two additional quotes, Copy Shoppe in DeBary and Trophy Factory in DeLand. The Copy Shoppe in DeBary was able to provide the lowest quote (attached as Exhibit B) for the plaque that included all the details the Board members requested.

The criteria/process for the initial property selection shall be chronological order of the designation date. Therefore, the six properties eligible to receive a plaque are shown outlined in Exhibit A. These initial plaques will be funded by the allocated city funds, and the property owner shall elect to have a plaque.

RE: **Historic Preservation Review (Public Art Mural) located on the West side of the building at 112 E. New York Ave, facing Woodland Boulevard.**
Application No.: HPB25-039
Applicant: Justin James
Owner: First Baptist Church Holding Company of Orange City FL, Inc.

Description of Proposed Work:

A mural will depict a vintage style postcard for DeLand, including flora and fauna native to Florida. The mural will have text reading “Greetings from DeLand Florida”.

Process:

The process for murals within the City’s Historic District, shall first be scheduled for review by the City’s Historic Preservation Board. A review by the Historic Preservation Board shall be a recommendation only and shall be for the purpose of Historic Preservation Board providing recommendations and/or input which may serve to have the mural better fit with the historic ambiance of the district.

The Historic Preservation Board shall provide and forward their recommendation and input to the City’s Public Mural Art Committee for final approval, taking the Historic Preservation Boards recommendations and input into consideration.

Staff Analysis

This mural is depicting a vintage style post card for DeLand, to include flora and fauna that is native to Florida. The color scheme is consistent with the approved colors for the Historic Downtown DeLand. This mural will enhance the historical ambiance of the district by expanding on our historic Floridian character and expanding the artistic atmosphere of murals within the Downtown.

Recommendation:

The historic preservation board shall provide a recommendation and/or input which may serve to have the mural better fit with the historic ambiance of the district. Staff recommends the Historic Preservation Board forward their recommendation/input to Public Mural Art Committee for consideration.

Dear City of DeLand,

I am writing to express my strong support for Journey Church's proposal to place a mural on the side of their building. I believe this artistic addition will bring many positive benefits to our community.

Not only would the mural enhance the area's visual appeal, but it would also foster a welcoming and vibrant atmosphere for residents and visitors alike. Moreover, this project aligns perfectly with our city's tradition of encouraging creativity and community engagement.

Thank you for your time and consideration. I hope you will support this inspiring project.

Downtown DeLand Mural Committee

Subject: Letter of Support for the "Welcome to DeLand" Mural on the Dreka Building

Dear Mural Committee Members,

We are writing to express our enthusiastic support for Journey Church's proposed mural installation on the Dreka Building in downtown DeLand. This project, led by the talented artist Erika Group, is poised to bring even more vibrancy and community spirit to our beloved downtown area.

The theme, "Welcome to DeLand" or "Greetings from DeLand," is a perfect fit for this historic location, conveying a message of warmth, openness, and inclusivity. This mural will not only serve as a welcoming landmark for residents and visitors alike but also as a piece of art that celebrates the unique character of DeLand. It will complement existing artwork, like Erika Group's iconic wings, that already draw locals and tourists and create meaningful engagement with our downtown area.

Public art projects such as this mural are essential for fostering community pride and a sense of belonging. The mural's location on the Dreka Building, facing Woodland Blvd., is ideal for encouraging pedestrian exploration and adding visual appeal to our streetscape, furthering DeLand's reputation as a culturally rich and aesthetically beautiful city.

We wholeheartedly support Journey Church's initiative and encourage the City of DeLand to approve this mural. It will undoubtedly enhance the beauty of downtown DeLand, build on our community's spirit, and welcome all who visit. Thank you for considering this meaningful addition to our cityscape.

Sincerely,
