Whereas, on March 22, 1972, President Richard Nixon signed into law a measure that amended the Older American's Act of 1965 and established a national nutrition program for seniors 60 years and older; and

Whereas, the Meals on Wheels Association of America established the National March for Meals Campaign in March 2002 to recognize this historic month, the importance of Older Americans Act Senior Nutrition Programs and raise awareness about senior hunger in America; and

Whereas, for more that 50 years, Council on Aging of Volusia County has been the only local non-profit focused exclusively on providing vital services to Volusia County seniors and our staff and volunteers are trusted advocates to the growing number of our elderly neighbors in critical need of assistance to maintain their independence; and

Whereas, the mission of the Council on Aging Senior Nutrition Programs in Volusia County provides a much-needed socialization opportunities for seniors to help combat loneliness and isolation; and

Whereas, the Council on Aging volunteers and staff deserve recognition for the contributions they have made and will continue to make to our local communities.

Now, therefore, I, Robert F. Apgar, Mayor of the City of DeLand, do hereby proclaim, March 2022 as:

SUBJECT: Consideration re Grant of Easement to Duke Energy, Perryman Farms.

DEPARTMENT: Engineering

PREPARED BY: Ray Bahrami, City Engineer

ATTACHMENTS: Easement, Exhibit A-Sketch

APPROVED BY: Michael Pleus, City Manager, February 28, 2022

SUMMARY/HIGHLIGHT:

The City executed a blanket easement over the entire property with the condition that once the electric facilities were installed, the City would obtain a survey of the location and a new easement would be executed to show the exact location of the electric easement. The attached easement is the new, precisely surveyed easement.

STRATEGIC PLAN FOCUS AREA/ACTION STEP:

Sustainability

SUSTAINABILITY:

FISCAL IMPACT:

The grant of the Utility Easement would assist in the economic development of the City and the Airport and will enhance the City's ad valorem tax base and provide other economic development benefits to the City. The costs of providing the Easement are, by comparison, nominal and the effect of the easement area being imposed upon the value of the City's real property will be, likewise, nominal.

RECOMMENDATION:

It is recommended that the City Commission approve the grant of the Utility Easement to Duke Energy Florida, LLC.

BACKGROUND/DISCUSSION:

Perryman Farms LLC, a Florida limited liability company, of DeLand, whose managers/members are Owen J. Perryman Jr., Kay L. Perryman and Patricia Perryman, is the owner of property located on Brunswick Lane (Assigned Tax Parcel Identification Number: 603400000040 (Altkey: 2124920) by the Volusia County Property Appraiser. The City Commission recently released its right of first refusal set forth in an agreement that was entered in 1995.

Duke Energy will not install power to construction sites without an easement. However, until the lines are installed, it is difficult to define precisely where the power easement will need to be. The City granted Duke a "blanket easement" over the entirety of the site in order to obtain power to the site. After the power line was installed from the street to the site, the City obtained a survey of the exact location of the service line and

prepared a legal description for an easement that was five feet on either side of the underground power lines. The easement is 10 feet in width and does not adversely impact the City's use of subject property.

CITY OF DELAND
Request for Commission Action
March 7, 2022

SUBJECT: Second Reading of Ordinance No. 2022-02, Correcting Ordinance No. 2021-36, which Annexed Property Located at 230 East Taylor Road, to Correct a Scrivenor's Error therein.

DEPARTMENT: Planning

PREPARED BY: Darren Elkind, City Attorney

ATTACHMENTS: ORD-2022-02, Exhibit A-Revised Sketch and Description

APPROVED BY: Michael Pleus, City Manager, February 28, 2022

SUMMARY/HIGHLIGHT:

Approval of an Ordinance on second reading relating to the annexation of real property addressed as 230 East Taylor Road and amending Ordinance Number 2021-36 is requested. The ordinance was approved on first reading at the February 7, 2022 meeting.

STRATEGIC PLAN FOCUS AREA/ACTION STEP:

High value government

SUSTAINABILITY:

N/A

FISCAL IMPACT:

The City will benefit from clarifying the legal description of the annexed real property and, thus, the City Limits. Otherwise, there is no substantial fiscal impact to this action and the applicant is paying the costs of correcting Ordinance Number 2021-36.

RECOMMENDATION:

It is recommended that the City Commission consider the approval of an Ordinance annexing real property addressed as 230 East Taylor Road on second reading which action will correct Ordinance Number 2021-36.

BACKGROUND/DISCUSSION:

The City Commission enacted Ordinance Number 2021-36 on November 1, 2021. Subsequent to its enactment, Volusia County staff noted discrepancies with the legal description of the southern most parcel that had been provided to the City by the petitioner. Although the owners of the property are Vincent W. Gould, III and Faye S. Gould, Michael Wojtuniak, P.E., was authorized to act on their behalf as the petitioner and for the contract purchaser of the property, Steven R. Parks. The total real property being annexed is 2.36 acres in size and is intended to become part of the existing development known as DeLand Toyota PD. The southern most parcel (subject property) contains 1.37 acres. The proposed Ordinance will correct the discrepancies of the legal description utilized in Ordinance Number 2021-36 with the sketch and legal description being updated to match the recorded deed. The real property which is proposed to be annexed into the City Limits is reasonably

compact and contiguous to the corporate areas of the City and its annexation will not result in the creation of any enclave (and, indeed, logically fills in the City Limits and is consistent with sound principles and practices relating to the delineating of jurisdictional boundaries thereby furthering sound management in terms of the provision of public facilities and services as well as sound land use planning), and otherwise fully complies with the requirements of State law. The legal sketch and description, dated December 31, 2021, prepared by Scott Bechir, P.S.M. of Scott's Surveying Services, Inc., Debary, Florida, is an exhibit to the Proposed ordinance.

ORDINANCE NO. 2022 – 02

AN ORDINANCE OF THE CITY COMMISSION OF DELAND, FLORIDA, CORRECTING A SCRIVENERS ERROR IN THE LEGAL DESCRIPTION FOR THE ANNEXATION ORDINANCE BEARING ORDINANCE NUMBER 2021-36 AND THEREBY ANNEXING BY VOLUNTARY PETITION CERTAIN REAL PROPERTY (TAX IDENTIFICATION PARCEL NUMBER 702800000560) WHICH IS APPROXIMATELY 1.37 ACRES IN SIZE AND GENERALLY ADDRESSED AS 230 EAST TAYLOR ROAD LOCATED CONTIGUOUS TO THE CITY OF DELAND IN ACCORDANCE WITH THE VOLUNTARY ANNEXATION PROVISIONS OF SECTION 171.044, FLORIDA STATUTES; PROVIDING FOR LEGAL DESCRIPTION AND A MAP AND PROVIDING FOR THE INCORPORATION OF THAT EXHIBIT; PROVIDING FOR FINDINGS; DIRECTING THE CITY CLERK TO RECORD THE ORDINANCE WITH THE CLERK OF THE CIRCUIT COURT, WITH THE CHIEF ADMINISTRATIVE OFFICE OF VOLUSIA COUNTY AND WITH THE DEPARTMENT OF STATE; PROVIDING FOR CONFLICTS; PROVIDING FOR SEVERABILITY; PROVIDING FOR NON-CODIFICATION AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Ordinance Number 2021-36 was adopted on November 1, 2021 which ordinance was intended to annex into the corporate limits of the City of DeLand the real property which is the subject of this Ordinance; and

WHEREAS, the statutorily required metes and bounds legal description of the subject property contained in Ordinance Number 2021-36 had a scrivener's error such that the subject property was improperly described; and

WHEREAS, it is the intent of this Ordinance to repeal and replace Ordinance Number 2021-36 with this Ordinance for the purpose of annexing the subject property into the corporate limits of the City of DeLand with a correct legal description; and

WHEREAS, the following are the fee simple title owners of the real property being addressed as 230 East Taylor Road and assigned the following Tax Identification Parcel Number by the Volusia County Property Appraiser which property owners have authorized the Petitioner, Michael Wojtuniak, P.E., to act on their behalf and for the contract purchaser, Steven R. WHEREAS, the subject real property (a site 1.37 acres in size) is intended to become part of the existing development known as DeLand Toyota PD; and

WHEREAS, City staff reviewed and recommended approval of the annexation of said property to the City Commission of the City of DeLand and has accomplished all actions required under the *Code of Ordinances of the City of DeLand* and State law; and

WHEREAS, the City Commission, upon the recommendation of City staff and the City Attorney, has determined that all of the property which is proposed to be annexed into the City of DeLand is within an unincorporated area of Volusia County, is reasonably compact and contiguous to the corporate areas of the City of DeLand, Florida and it is further determined that the annexation of said property will not result in the creation of any enclave (and, indeed, logically fills in the City Limits of the City and is consistent with sound principles and practices relating to the delineating of jurisdictional boundaries thereby furthering sound management in terms of the provision of public facilities and services as well as sound land use planning), and it is further determined that the property otherwise fully complies with the requirements of State law relative to annexation it being specifically found and determined that the property being annexed does not leave any real property in unincorporated Volusia County totally enclosed within the City Limits of the City; and

WHEREAS, the City Commission of the City of DeLand, Florida has taken all actions in accordance with the requirements and procedures mandated by State law; and

Request for Commission Action
March 7, 2022

SUBJECT: Consideration re GlassHouse Annual Report.

DEPARTMENT: Community Development

PREPARED BY: Rick Werbiskis, Community Dev. Director

ATTACHMENTS: Best Cleaner Site - Parking Lot Conceptual (2.24A.22), Acquisition and Redevelopment Agreement Signed 7-9-20

APPROVED BY: Michael Pleus, City Manager, March 1, 2022

SUMMARY/HIGHLIGHT:

On January 3, 2022, the City Commission received an annual report from staff and GlassHouse Square, LLC regarding the status of the project. The main issue discussed at the meeting was related to the number and location of off-site vehicle parking spaces to be provided for the project. As outlined in the approved Acquisition and Redevelopment Agreement (ARA), parking for the project was to be provided as follows: "Parking may be provided off-site to each parcel to be developed. Except as otherwise provided, specific parking ratios and standards shall be addressed in the P.D. Agreement applicable to each parcel."

Glasshouse Square Proposal

The developer considered the discussion and provided staff with the following proposal for City Commission consideration:

1. GlassHouse will amend the draft PD Development agreement to eliminate the possibility of a third floor (with rooftop) on Building 1. Building 1 would then be developed as a two-story building with a rooftop assembly use space, which we understand would eliminate roughly 32 spaces from the estimated 112 spaces required under the standard code. *(Staff notes that the 112 spaces is based upon current LDR requirements for a 20,000 sf building, not 30,000 sf).*
2. GlassHouse would not be required to provide any private parking. As a reminder, when it was contemplated that Glasshouse would provide private parking for its development, it was also contemplated that parking would be gated.
3. Glasshouse would forego the tax rebate provided for under the ARA. Glasshouse estimates the value of this rebate to be \$190,000. Those sums would be devoted to development of public parking at the contaminated Best Cleaners property, or at such other location as determined by the city. We think providing public parking is a much better solution to the city's parking issues than Glasshouse implementing private parking which would not be usable by the public. *(Staff notes that the tax rebate would have been paid over a 10-year period which would put the city in the position of having to borrow funds out the outset to construct public parking per their proposal).*
4. Glasshouse would pay the City the sum of \$140,000, at closing. Those sums would be devoted to the development of public parking at the contaminated Best Cleaners property, or at such other location as determined by the city.
5. Glasshouse would forego exercising the option for purchase of the Option Parcel, as provided for in the ARA, thus leaving these current parking spaces in public ownership.

Staff has also been informed that GlassHouse is proposing to construct Building 1 and fully occupy that building prior to constructing Building 2. This will allow the area dedicated to Building 2 to be used for on-site parking for an undefined period of time.

Staff Analysis

Staff has reviewed the opportunity to utilize the Best Cleaners site for the construction of a new public parking lot and does not believe that the payment of \$140,000 is adequate to fully fund the cost of creating adequate parking to serve the GlassHouse project. There are known contamination issues associated with this site along with significant grade changes that will increase the cost to develop the site for parking. Based upon these issues it is difficult to quote a price per space. Additionally,

foregoing the tax abatement is not upfront money and would require the City to borrow funds to initiate construction. Staff believes the better alternative would be for GlassHouse to forego the tax incentive and give up the demolition credit of \$300,000, which the City would have to pay upfront. Staff also notes that the site is located more than 900 feet from the GlassHouse building and may be perceived as inconvenient for use by employees and customers. More importantly, the timeline for being able to construct parking on the Best Cleaners site and manage any environmental remediation requirements related thereto cannot be determined with any specificity at this time.

Staff notes that the revised proposal which reduces Building 1 to 20,000 square feet, the lack of dedicated off-site parking, and lack of a guarantee that Building 2 will be constructed create a significant deviation from the proposal submitted and approved in the ARA.

As of February 28, 2022, GlassHouse has not filed a complete application for the review and consideration of the required Planned Development rezoning. The proposed PD document and most supporting documentation have been submitted but payment of the filing fee remains outstanding. The applicant is requesting City Commission direction on the preferred method to provide off-site or possibly on-site parking for the project prior to completing the PD application process.

Additional Information from the Agreement:

Section 3.4.1.f. of the Agreement provides the following:

If GlassHouse fails within 180 days of the Effective Date to make a complete application for a planned development rezoning, then the City may follow the procedures outlined under Section 9.2 of this Agreement regarding notice and opportunity to cure, and City shall thereafter be entitled to terminate this Agreement.

- The Effective Date of the Agreement is July 9, 2020.
- 180 days from the Effective Date is January 5, 2021.

Section 9.2 of the Agreement provides the following:

9.2. Notice and Opportunity to Cure.

9.2.1. Prior to declaring a default hereunder, other than with regard to the situations specifically enumerated in Sections 3.2.1, 3.4.1, 5.2.6, 5.9 and 6.4, the non-defaulting party must provide the defaulting party with written notice and at least thirty (30) days to cure such default; provided, however, if the default is of a nature that cannot be reasonably cured within such 30-day period, then the defaulting party shall be allowed a reasonable period of time to cure such default provided that it diligently commences the cure within the 30-day period and thereafter diligently undertakes and pursues such cure to completion.

Commission Options

At this point, staff and the applicant need specific direction on how to proceed. There are a couple of options for the City Commission to consider:

1. Direct staff to proceed with notice under Section 9.2.
2. Extend the timelines for submission of the planned development rezoning and other deadlines associated with the project and direct staff to continue to work with the applicant on parking options. If the City Commission wants to pursue this option, staff recommends consideration of the following:
 - a. What is the desired number of parking spaces that should be attributable to the project? The LDRs require 112 spaces (for Building 1 at 20,000 sf and Building 2), but PDs are negotiable and the City Commission could require less. At the January 3rd meeting, the City Commission indicated they would like to see 60 spaces.
 - b. Is the Best Cleaner a suitable location considering its distance from the project and the uncertainty in the timeline for construction given the environmental remediation requirements and the resulting cost per space for parking?
 - c. If the City Commission is agreeable to the City providing public parking in lieu of GlassHouse providing private parking for the redevelopment, does the City Commission accept the Glasshouse offer of \$140,000 cash at closing plus giving up the tax incentive or would the Commission prefer that GlassHouse give up the tax incentive (valued at approximately \$190,000) and the demolition credit of \$300,000? Staff notes that, since the cost per space cannot be determined at this time, we cannot determine whether \$490,000 would be sufficient to cover their parking requirements established by the City Commission.

STRATEGIC PLAN FOCUS AREA/ACTION STEP:

Regional High Value Job Creation; Institute Smart Growth Principals.

SUSTAINABILITY:

N/A

FISCAL IMPACT:

The fiscal impact to the City is dependent upon the decision of the City Commission.

RECOMMENDATION:

It is recommended that the City Commission discuss the options and give staff direction.

BACKGROUND/DISCUSSION:

On June 18, 2018, the City Commission directed staff to issue a Request for Proposal (RFP) for the redevelopment of the former county jail located at 130 West New York Avenue together with the option to also redevelop a former county parking lot located off Georgia Avenue. Both locations are currently owned by the City of DeLand. Staff issued an RFP on July 25, 2018. At the December 17, 2018 meeting of the City Commission, the Commission ranked the three submitted proposals for the redevelopment of the former County Jail and selected Deltran Operations USA, Inc. as most responsive to the RFP. At the May 28, 2019 joint meeting of the Downtown Community Redevelopment Agency and City Commission, a Memorandum of Understanding was approved that provided the guidelines for the drafting of an Acquisition and Redevelopment Agreement for the redevelopment of the former County Jail site. The guidelines included the provision that "Parking may be provided off-site to each Parcel to be developed. Except as otherwise provided, specific parking ratios and standards shall be addressed in the PD Agreement applicable to each Parcel." A Private Parking Lot to serve the needs of GlassHouse was included in Phase 1 of the project in the Agreement. The Acquisition and Redevelopment Agreement was approved on July 9, 2020. As of December 22, 2021, GlassHouse has not filed a complete application for the review and adoption of the required Planned Development rezoning. The proposed PD document and most supporting documentation have been submitted; payment of the filing fee remains outstanding. The applicant is requesting City Commission feedback on the amount of required vehicular parking for the project prior to submitting the application fee.

ACQUISITION AND
REDEVELOPMENT AGREEMENT

THIS ACQUISITION AND REDEVELOPMENT AGREEMENT (this “Agreement”) is entered into as of the 9th of July, 2020 (the “Effective Date”), by and between the City of DeLand, a Florida municipal corporation (the “City”), the City of DeLand Downtown Community Redevelopment Agency (the “CRA”) and GlassHouse Square, LLC, a Florida limited liability company (“GlassHouse”).

STATEMENT OF PURPOSE

The City is the owner of certain property with frontage on W. New York Avenue and W. Georgia Avenue which is the former site of the Volusia County Jail, being more particularly described on Exhibit A, attached hereto and incorporated by this reference (the “Property”). The Property is located within the DeLand Downtown Redevelopment District as well as the City’s Historic District. The existing jail building is in a deteriorated condition, contains asbestos, is unsightly, and is hindering the continued redevelopment that is and has been occurring in the immediate area in which the jail building is located. The City desires that the Property be redeveloped for a mixed use, in-fill project with a variety of uses including, without limitation, professional offices, retail, commercial, multifamily residential and residential lofts, and entertainment and event spaces, all of which are to be consistent with the aesthetic qualities of downtown DeLand, and in furtherance of the City’s Downtown Community Redevelopment Plan, and the Florida Community Redevelopment Act of 1969, Florida Statutes, Chapter 163.

The City is the owner of certain property with frontage on W. Georgia Avenue which is the former site of a Volusia County employee parking lot, being more particularly described on Exhibit B, attached hereto and incorporated by this reference (the “Option Parcel”). The City desires that the Option Parcel be redeveloped for an in-fill project allowing a variety of uses, including, without limitation, retail commercial, multifamily residential and residential lofts, entertainment and event space uses, consistent with the aesthetic of downtown DeLand, and in furtherance of the City’s Downtown Community Redevelopment Plan, and the Florida Community Redevelopment Act of 1969, Florida Statutes, Chapter 163.

The City issued a Request for Proposals (the “RFP”) seeking private sector proposals for redevelopment of the Property and the Option Parcel, GlassHouse responded to the RFP, and the City selected GlassHouse as the developer with whom it desired to negotiate an agreement for redevelopment of the Property and the Option Parcel. Pursuant to a public hearing on May 28th, 2019, the City and GlassHouse executed a “Memorandum of Understanding” summarizing the development and business terms pursuant to which Glasshouse would redevelop the Property with a mix of uses anchored by the Deltran Operations U.S.A. Inc. world headquarters. The parties desire to enter into a binding contract related to this project as set forth in this Agreement.

GlassHouse is undertaking considerable financial risk by agreeing to develop the Property pursuant to this Agreement. The City, finding this economic development opportunity to be in the best interest of the City and the health, safety and welfare of the citizens of DeLand, has offered to facilitate the downtown redevelopment project by providing certain economic incentives to GlassHouse with the expectation that the City's involvement will encourage and accelerate the timing of the redevelopment, thus generating additional tax revenues, benefiting the downtown economy and enhancing the potential for future development of neighboring properties.

The City finds that City's provision of the economic incentives pursuant to this Agreement constitutes a public purpose, and the Florida Legislature has found that government sponsored public-private arrangements and the promotion and support, including financial assistance, of economic development activities are in the public interest and achieve a public benefit.

The CRA, is a community redevelopment agency created by the City pursuant to the Community Redevelopment Act of 1969, Part III, Chapter 163, Florida Statutes (the "Act") and is charged with undertaking redevelopment functions and managing the tax increment fund for the City of DeLand's Downtown Community Redevelopment Area.

The CRA finds that the obligations undertaken by it pursuant to this Agreement are consistent with the intent and requirements of the Act, and that the provisions of this Agreement are consistent with and further the goals and objectives of the Downtown DeLand Redevelopment Plan.

The parties hereto have agreed to memorialize the terms and conditions pursuant to which the City will convey the Property to GlassHouse and convey the Option Parcel to GlassHouse if GlassHouse exercises its option, and under which GlassHouse shall redevelop the Property and (if applicable) the Option Parcel, and under which the CRA shall pay and otherwise perform as provided herein. Nothing in this Agreement is intended to bind the City, the CRA or any agency or employee thereof with regard to any required zoning or development related approval, receipt of such approvals being a condition of performance by GlassHouse as more particularly set forth herein.

NOW, THEREFORE, in consideration of the foregoing matters, which are incorporated herein by reference, mutual covenants contained herein, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged by all parties, the parties hereto agree as follows:

1. **Definitions.** In addition to terms defined elsewhere in this Agreement, the following terms shall have the following meanings:
 - 1.1. *City Code* - The Code of Ordinances of City of DeLand.
 - 1.2. *Completion* - The date when the City issues certificates of occupancy for the majority of units or certificates of completion (or similar approval) for a majority of units which are ready for tenant/owner finishes before occupancy, for a particular Phase or Project.

- 1.3. *Development Order* - Rezoning to a planned unit development, site plan approval, issuance of a building permit or similar action by the City and all other government entities with jurisdiction over a Project necessary for GlassHouse to develop a Project pursuant to the requirements of this Agreement including, without limitation, all permits required from the U.S. Army Corps of Engineers, St. Johns River Water Management District, Florida Department of Environmental Protection, Florida Department of Transportation, County of Volusia, and the City of DeLand.
- 1.4. *Month* - When used with reference to calculation of dates, shall refer to the monthly anniversary of the starting date or event; for example, two months after February 15, 2020, is April 15, 2020.
- 1.5. *PD Agreement* - The Planned Development Agreement, as amended from time to time, by and between the City and GlassHouse rezoning the Property for the redevelopment program contemplated herein. It is acknowledged that the Option Parcel, if the option therefor is exercised by GlassHouse, will be developed under a separate planned development agreement.
- 1.6. *Parcel* – One of the parcels of real estate upon which a Project or Projects may be constructed. The Parcels shall be described as set forth in Section 3.3 below.
- 1.7. *Phase* - One or more of the phases of development of the Property or, as applicable, the Option Parcel. The term is sometimes used in connection with the Project to be constructed as a Phase. The term is somewhat interchangeable with “Project” but is primarily used with reference to the order of development of a Project vis-à-vis other Projects.
- 1.8. *Project* - One or more of the following development projects contemplated to be developed by GlassHouse under this Agreement:
 - 1.8.1. GlassHouse Square Project - The development of the Property pursuant to this Agreement, as set forth in Section 3.4.1.a.
 - 1.8.2. Option Parcel Project - The plans for development of the Option Parcel pursuant to this Agreement, as set forth in Section 3.4.1.c.

2. **Purpose.** The purpose of this Agreement is to provide for the redevelopment of the Property and, if applicable, the Option Parcel, in accordance with Section 3, so as to enhance the quality of life and the aesthetic and useful enjoyment of the DeLand downtown area, fulfill the goals of the RFP, promote economic development and investment in the downtown area, and further the objectives of the Downtown Community Redevelopment Plan, all while providing GlassHouse with the tools to gain financial reward commensurate with the risk it is undertaking.

3. **Redevelopment Program.** Subject to the provisions of this Agreement, GlassHouse shall redevelop the Property pursuant to the provisions of this Section and the PD Agreement and, if applicable, the Option Parcel pursuant to a separate planned unit development

agreement. GlassHouse's redevelopment of the Property and, if applicable, the Option Parcel, consistent with this Agreement and in furtherance of the RFP and Downtown Community Redevelopment Plan is a material inducement for the City and the CRA to enter into this Agreement. The ability of GlassHouse to redevelop the Property and, if applicable, the Option Parcel, consistent with this Agreement is a material inducement for GlassHouse to enter into this Agreement. GlassHouse shall develop each Project on the Property in a manner which is consistent with the Conceptual Development Plan, attached hereto as Exhibit C and incorporated by reference (the "CDP"). The conceptual development plan for the Option Parcel has not yet been developed, and development of the Option Parcel will be governed by a separate planned unit development agreement that will need to be approved by the City. The obligations as set forth in Sections 3.4.3, 3.5, 5.2.2, 5.2.4, 5.3, 5.6, 5.7, 5.9, 5.10, 5.11, 6.3 and any other provision of this Agreement which expressly survives or by its terms is logically and necessarily intended to survive the conveyance of the Property and, as applicable, the Option Parcel, shall in fact survive the conveyance of the Property and, as applicable, the Option Parcel, to GlassHouse.

3.1. Right to Market. Prior to the earlier of conveyance of the Property and the Option Parcel, or termination of this Agreement, GlassHouse shall have the right to market the Property and the Option Parcel for sale or lease consistent with the CDP. In conducting such marketing activities, GlassHouse shall make clear that it does not act on behalf of, or as an agent of, the City or the CRA. The City agrees that it will not market the Property or the Option Parcel during the term of this Agreement. The City and others on its behalf shall, however, be entitled to advertise, promote and otherwise refer to the redevelopment of the Property and Option Parcel as contemplated by this Agreement. GlassHouse shall also have the right to seek any development order associated with redevelopment of the Property or the Option Parcel consistent with the CDP for the Project, as applicable. The City shall not, during the term of this Agreement, market the Property or the Option Parcel, or attempt to sell or lease either of them, except pursuant to this Agreement or with the express written consent of GlassHouse. GlassHouse's rights to market and redevelop the Property and the Option Parcel consistent with this Agreement is a material term of this Agreement.

3.2. Land Use and Zoning.

3.2.1. The parties intend that the Property and, if applicable, the Option Parcel, be redeveloped as described in this Section 3 and as to the Property as shown on the CDP. The parties understand that the Projects, as may be modified pursuant to the terms of this Section, are not currently consistent with the Property's and Option Parcel's C-2A with Historic Overlay zoning designation but are consistent with their "Downtown Commercial" Future Land Use classifications under the City's Comprehensive Plan. GlassHouse's obligations hereunder are contingent upon obtaining rezoning of the Property and, as applicable, the Option Parcel, to PD, with a PD Agreement in form and content satisfactory to GlassHouse in its sole and absolute discretion, as well as all other necessary Development Orders for Phase 1 and 2, as required for each Project under that Phase as described in

this Agreement. Should the City not approve a PD Agreement acceptable to GlassHouse in its sole and absolute discretion within twelve (12) months of the Effective Date, then GlassHouse may terminate this Agreement by providing notice of termination to the City within thirteen (13) months of the Effective Date, following which this Agreement shall be of no further force or effect. The permitted uses for the Property shall be as provided in the PD Agreement, and for the Option Parcel as provided in a separate planned unit development agreement, provided that nothing herein prevents future amendment of the PD Agreement or any other planned unit development agreement through the City's amendment process. Open space requirements for the Property shall be satisfied with the Green Square/water feature area/gathering space and pedestrian walkway proposed on Parcel 1 and 2, as shown on the CDP. Landscape and hardscape areas, site design, and architectural design shall all be consistent with the CDP.

- 3.2.2. The parties acknowledge that the CDP represents only conceptual development plans for the Property, based on the parties' reasonable understanding of market demands, design feasibility, and urban planning best practices. Additional engineering and market feasibility studies shall be required to ensure an economically viable redevelopment program, which is in all parties' best interests. Therefore, layouts and design of each Project may be modified pursuant to the City's development review process, which changes shall not require amendment of this Agreement provided that the changes are consistent with the other provisions of this Section 3, including those concerning section 3.4.1.

3.3. Parcels.

- 3.3.1. The Property and the Option Parcel are currently two (2) separate legal lots each of which shall be the location for construction of the Project(s) described with reference thereto, but in the future they may be combined or further subdivided in accordance with the City's subdivision ordinance. The CDP depicts the approximate configurations of the Parcels for the Property.

- 3.3.2. Each Project shall be constructed on a Parcel. Concurrent with submission of site plan applications for each Project to be developed on the Property and, as applicable, the Option Parcel, GlassHouse shall submit to the City, together with all other documents required by the City's Land Development Regulations, a survey of the legal description of the Parcel or portion of the Parcel upon which the Project is to be constructed.

- 3.4. Redevelopment Program for the Property and Option Parcel. GlassHouse shall redevelop the Property and, as applicable, the Option Parcel, consistent with the CDP, and the provisions of this Section. GlassHouse shall seek to reasonably maximize the redevelopment potential of the Property and, if applicable, the Option Parcel, consistent with economic conditions and in an architectural style that is complementary to the brick architecture which currently exists along Georgia Avenue, as determined by GlassHouse in its reasonable discretion. Except as

otherwise provided in this Agreement, GlassHouse shall undertake the development program set forth in this Section 3 at its sole cost and expense.

3.4.1. The Redevelopment Program for the Property shall be for mixed-use, allowing a variety of uses including office, entertainment, commercial, and if applicable, for the Option Parcel shall allow for such uses and for residential uses, to be developed in Phases, consistent with the terms set forth in the PD Agreement or, as it relates to the Option Parcel, a separate planned unit development agreement, as exists from time to time.

a. The anticipated redevelopment of the Property is described as follows:

PROJECT/ PHASE	PARCEL	STORIES (NOT TO EXCEED)	PERMITTED USE(S)
Phase 1: Building 1	1	3, plus rooftop assembly use space	FIRST FLOOR Up to 10,000 GSF Office*/Commercial to be further defined in the PD Agreement *No more than 30% of 1 st floor space to be office.
			SECOND FLOOR Up to 10,000 GSF office/commercial to be further defined in the PD Agreement
			THIRD FLOOR Up to 10,000 GSF office/commercial to be further defined in the PD Agreement
			ROOFTOP Up to 10,000 GSF Rooftop assembly use space (event space) to be further defined in the PD Agreement. Rooftop space is contemplated to have an elevator landing, enclosed restroom and other incidental enclosures, and all enclosures shall be set back an appropriate distance, to be identified in the PD Agreement, from the edge of

PROJECT/ PHASE	PARCEL	STORIES (NOT TO EXCEED)	PERMITTED USE(S)
			the roof. The top of all enclosures shall be less than eighty (80') feet above the finished floor elevation of the first floor of the building.
			Up to 1,500 GSF of Gallery/ event space.
Phase 2: Building 2	2	2	Ground floor up to 3,500 GSF Office*/Commercial to be further defined in the PD Agreement *No more than 30% of 1 st floor space to be office.
			Second floor up to 5,000 GSF office/commercial, Gallery/event space and/or up to 5 "Artist's Lofts" to be further defined in the PD Agreement
Phase 1: Gathering Space		N/A	Green square / water feature area and/or other gathering space to be further defined in the PD Agreement
Phase 1: Pedestrian Walkway		N/A	To be further defined in the PD Agreement, to include provisions for an easement (the "Easement") for underground utilities, stormwater vaults, emergency access and the right to grant temporary ingress and egress to adjacent property owners with zero lot line buildings for periodic maintenance of those buildings. It is GlassHouse's current intention that the pedestrian walkway will generally remain open for access by members of the public as invitees as is the case with the nearby Artisan Alley. It is also GlassHouse's intention to construct a portion of Building 2 over a portion of

PROJECT/ PHASE	PARCEL	STORIES (NOT TO EXCEED)	PERMITTED USE(S)
			the pedestrian walkway, leaving approximately 14' of airspace from the ground level to the overhanging portion of Building 2.
Phase 1: Private Parking Lot		N/A	Private parking lot to serve needs of GlassHouse, location to be determined in the PD Agreement.

- b. Building 1 in Phase 1 shall be not less than two (2) stories and not less than 20,000 gross square feet.
- c. The anticipated redevelopment of the Option Parcel, if applicable, shall be in accordance with a PD agreement to be entered into in accordance with rezoning of the Option Parcel, and if applicable, other lands. Buildings on the Option Parcel shall be limited to three (3) stories and shall not have any rooftop event space.
- d. Parking may be provided off-site to each Parcel to be developed. Except as otherwise provided, specific parking ratios and standards shall be addressed in the PD Agreement applicable to each Parcel.
- e. Any residential units shall be constructed to provide exterior sound attenuation to standards to be addressed in the PD Agreement. There shall be no residential units on the first floor adjacent to Georgia Avenue.
- f. The references to square feet of non-residential use and number of residential units in Section 3.4.1. are only estimates. Adoption of square footages in the PD Agreement approved by the City through the normal rezoning / development review process shall be deemed to modify this Agreement without the need for any written amendment to this Agreement. If GlassHouse fails within 180 days of the Effective Date to make a complete application for a planned development rezoning, then the City may follow the procedures outlined under Section 9.2 of this Agreement regarding notice and opportunity to cure, and City shall thereafter be entitled to terminate this Agreement.

- 3.4.2. The order of Phases described in Section 3.4.1. is the presently anticipated order of development and is used only for descriptive purposes. For example, GlassHouse may, in its sole discretion, commence development of Phase 2 as the initial Phase of development for the Property. In addition, GlassHouse may commence development of more than one Phase consistent with the terms of this Agreement. In any event, development of the Phases shall be designed to minimize the disruption to the existing public parking on the Option Parcel without unreasonably interfering with construction of the Project(s). The site plan for each Phase shall include measures to mitigate disruption to such existing public parking, which shall be part of the City's review process and shall be depicted on the site plan for each respective Phase. Such mitigation measures may include Glasshouse maintaining its laydown area and all construction staging operations on the Property or on the City's lot located at 224 South Florida Avenue and possibly other measures to avoid impacts to Georgia Avenue. GlassHouse will use its best efforts to ensure that, prior to its provision of substitute public parking that is reasonably equivalent to that which is currently on the Option Parcel, as set forth in Section 3.5 below, its construction force does not park in the public parking currently located on the Option Parcel. The City may implement additional off-site mitigation measures including, but not limited to, informational signage directing visitors to alternative public parking areas. The City shall allow Glasshouse to use the City owned vacant lot located at 224 South Florida Avenue at no cost to Glasshouse for construction staging and construction worker parking. GlassHouse shall provide liability insurance in an amount no less than one million (\$1,000,000.00) dollars per occurrence, two million (\$2,000,000.00) dollars annual aggregate limit covering property damage and personal injury liability for that lot during the time that it is used for construction parking and such insurance shall name the City of DeLand as an additional insured.
- 3.4.3. The City represents that as of the Effective Date, neither the City's land development regulations, nor any other applicable regulation of the City, imposes any on site storm water treatment or storage requirements which are in any way greater than the requirements of the St. Johns River Water Management District. The City shall have the option to install, or upsize as the case may be, and maintain, stormwater vaults underneath the Easement area, and beneath the Pedestrian Walkway, to the extent space is available therefor, as determined by sound engineering principles. The cost for installation thereof, or the cost related to upsizing as the case may be, shall be the sole cost of the City. The City shall pay all costs for future maintenance if it installs its own stormwater vaults, or for its proportionate share (determined by the percent of total capacity comprised of the City's upsizing) of future maintenance costs, if it upsizes Glasshouse's Stormwater Vaults.

3.5. Public Parking Lot. If GlassHouse exercises its option to purchase the Option Parcel and the City conveys the Option Parcel to GlassHouse as provided herein, GlassHouse will replace all currently existing regular and handicap accessible public parking spaces displaced by any Project to be developed on the Option Parcel with an equal number of such parking spaces, at its sole cost and expense. In addition to the provisions of Section 6, closing on the Option Parcel shall be in accordance with the following standards:

3.5.1. The parking lot containing the replacement public parking spaces (the “Public Parking Lot”) shall be completed not later than closing on the Option Parcel or, at GlassHouse’s option, GlassHouse may grant to the City a temporary easement for such public parking on the Option Parcel until the replacement public parking is provided and receive title to the Option Parcel. The term of such temporary parking easement shall have a duration which is no longer than the term of the Option or the date that title to the Option Parcel is reconveyed to the City, all as set forth in Section 5.10. If any public parking spaces located on the Option Parcel are agreed, in the PD Agreement for the Option Parcel, to be left in service for public parking after closing on the Option Parcel, City shall reserve an easement as to those spaces and the existence of those spaces shall be addressed in the PD Agreement on the Option Parcel.

3.5.2. GlassHouse shall construct the Public Parking Lot on lands to be conveyed to the City, which lands shall be located within two hundred fifty (250’) feet of the Option Parcel. After closing on the Option Parcel, City shall be responsible for the operation and maintenance of the Public Parking Lot. If any public parking spaces are left on the Option Parcel after closing on the Option Parcel, GlassHouse shall maintain those spaces pursuant to a separate maintenance agreement with the City, executed prior to closing on and conveyance of the Option Parcel to GlassHouse.

4. **Other GlassHouse Obligations.** Unless otherwise provided in this Agreement, GlassHouse shall undertake the actions set forth in this Section 4 at its sole cost.

4.1. Other Obligations. GlassHouse shall provide the information required in Section 6.1 and acquire the Parcels as set forth in Section 6.

4.2. Deadlines. Subject to the deadlines provided below and following closing on each respective Parcel, GlassHouse shall control the timing for construction of each Phase on the Property.

4.2.1. Within the later of nine (9) months of approval of the PD Agreement or eighteen (18) months of the Effective Date, GlassHouse shall submit the following, consistent with the CDP:

- 4.2.1.1. Preliminary and final plats - The initial plat which may divide the site into at least two (2) lots will be prepared during the first phase. The two (2) lots will consist of the sites for Parcel 1 (for Building 1), and Parcel 2 (for Building 2). The City will execute without delay such owner authorizations required by the City's applicable land development regulations when same are presented to the City for signature. The final plat for the Property will be fully executed at or prior to closing, and delivered to the City Attorney in escrow for recording immediately following the closing.
 - 4.2.1.2. A site plan for development of the first Phase (i.e., the site improvements necessary for the preliminary and final plats for the Parcel and associated easements). The City will execute without delay such owner authorizations required by the City's applicable land development regulations when same are presented to the City for signature.
 - 4.2.1.3. Complete construction plans for Building 1 (recognizing that any part of the interior of Building 1 may be unfinished shell space).
 - 4.2.2. GlassHouse shall make commercially reasonable efforts to obtain approval for the above permit applications for the first Phase within twenty-four (24) months of the Effective Date.
 - 4.2.3. GlassHouse shall make commercially reasonable efforts to commence construction of the first Phase within fifteen (15) months of approval of the PD Agreement. GlassHouse shall make commercially reasonable efforts to complete construction of the first Phase within twenty-four (24) months of commencement of construction.
- 4.3. Extensions. Extensions to deadlines provided for in this Agreement can only be approved by the parties hereto in writing.
- 4.4. Report to City Commission. Until the Redevelopment Program for the Property has been completed, GlassHouse shall appear before the City Commission at least once per year to provide a report on the progress of the proposed Projects and the performance of its obligations under this Agreement.
- 4.5. Compliance with Other Provisions of Applicable Law.
 - 4.5.1. GlassHouse shall construct each Project in compliance with all applicable laws, regulations and ordinances, including but not limited to provisions of the City's Land Development Code regulating platting.
 - 4.5.2. The City shall join in any plat of the Property or, as applicable, the Option Parcel, to the extent necessitated by any easement or other rights therein retained by the City, provided that such plat(s) do not interfere with the

development or use of the Property or Option Parcel so acquired by GlassHouse under this Agreement.

5. **City and CRA Obligations.** In consideration of GlassHouse undertaking the Projects, the City and the CRA shall undertake the actions set forth in this Section. Unless otherwise provided below, the City and the CRA shall undertake such actions at their sole cost.

5.1. Joinder and Applications. The City, as owner of the Property and the Option Parcel shall join in any application for development orders associated with redevelopment of the Property and, if applicable, the Option Parcel consistent with the Redevelopment Programs, including, but not limited to, applications for final rezoning, site plan or plat approval and stormwater permits, and other Development Orders. Nothing in this Agreement shall be intended to bind the City or otherwise impose upon the City any obligation to approve any applications in which the City joins pursuant to this Agreement.

5.2. City and CRA Contributions.

5.2.1. The City shall convey the Property and, if applicable, the Option Parcel, to GlassHouse pursuant to the terms of Section 6, free and clear of any liens or encumbrances except as otherwise provided in Section 6.7. Conveyance of the Property shall occur prior to GlassHouse's commencement of construction of Phase 1.

5.2.2. GlassHouse shall pay all City application fees in regard to all applications for Development Orders, all City and County impact fees subject to any applicable credits and any other fees customarily required for obtaining development permits. GlassHouse shall be entitled to all impact fee and connection fee credits currently available to the Property and, as applicable, the Option Parcel.

5.2.3. Except as otherwise provided herein, GlassHouse shall pay all city, state or federal application or permit fees, and such general and usage fees or charges for water, sewer, or other services provided by the City to the Property or, as applicable, the Option Parcel, following closing on such lands.

5.2.4. The City and GlassHouse shall collaborate to establish a parking signage program for the public parking on the Public Parking Lot, which shall be designed to be consistent with the design and character of the Projects, and shall be installed on the Parcels as set forth on the site plan for the respective Parcels. The City shall provide such information as is necessary for inclusion on the respective site plan in a timely manner to permit GlassHouse to submit its site plans consistent with the schedule set forth in Section 4.2. The City or the CRA shall pay all costs relating to the parking signage improvements, shall install such improvements on the Parcels as set forth on the site plan for such Parcels, and shall thereafter maintain such signage, pursuant to a separate maintenance agreement.

5.2.5. The City or the CRA shall, at their sole cost and expense, procure a boundary and topographic survey of the Property. The survey shall include the boundaries of the Property, all public utilities located on public property within seventy five (75') feet of the Property including visible surface and invert depths, and elevations of the property from the edge of the buildings to the property line. The boundary survey shall be in ALTA form. The survey shall be certified to GlassHouse, its lender and title insurer. The City or the CRA shall provide the survey to GlassHouse not later than ninety (90) days from the Effective Date.

5.2.6. The City or the CRA shall, at their sole cost and expense, cause to be performed, a Phase I Environmental Site Assessment for the Property and, the Option Parcel (the "Phase I"), and a Phase 2 Environmental Site Assessment if the Phase 1 assesment identifies any Recognized Environmental Condition (as defined by the Phase I). The parties shall cooperate in good faith to fund through the Florida or federal brownfield program incentives, as available, any additional Phase II environmental site assessment and/or remediation of the Property and, if applicable, the Option Parcel and adjust the deadlines in Section 4.2 to address any delays associated with additional site assessment and/or remediation which the parties agree to undertake. Should the City reasonably determine that the length of time and or the cost to perform additional environmental assessments or remediate the site is too great, the City shall have the right in its sole discretion to terminate this Agreement upon thirty (30) days written notice. The environmental site assessments shall be certified to GlassHouse, its lender and title insurer. City and CRA shall provide three (3) originals of the Phase I environmental site assessments to GlassHouse not later than one hundred fifty (150) days from the Effective Date.

5.2.7. The City or the CRA shall, at their sole cost and expense, cause the Property to have a geotechnical survey completed. The geotechnical survey will be based upon geotechnical borings conducted in appropriate locations within the parking areas of the Property, and nothing in this Agreement shall be deemed to require the City or CRA to conduct borings within the locations on the Property that are currently occupied by structures. The geotechnical survey shall include foundation design recommendations for the planned heights of the buildings, and percolation analysis for underground exfiltration storm water systems subject to any limitations imposed by the presence of buildings being located on the Property. The geotechnical survey shall be certified to GlassHouse, its lender and title insurer. The City or the CRA shall provide three (3) originals of the Geotechnical Survey to GlassHouse not later than one hundred twenty (120) days from the Effective Date.

5.2.8. The City or the CRA shall cause the aforesaid survey, environmental inspection reports and geotechnical survey to be certified to GlassHouse and

shall name GlassHouse as an intended third-party beneficiary of the contract between the City and the provider of such reports.

5.2.9. The City or the CRA shall, at their cost and expense, cause such underground stormwater vaults as they deem appropriate, consistent with the intended use and development of the Pedestrian Walkway, to be constructed simultaneously with or prior to GlassHouse's development of the Pedestrian Walkway.

5.3. Acceptance and Maintenance of Public Improvements. If applicable, following the City's customary procedures for acceptance of public improvements, the City shall accept, and thereafter maintain pursuant to the provisions of Section 3.5, the Public Parking Lot improvements.

5.4. Other Obligations. The City shall provide technical assistance with respect to the development order applications filed by GlassHouse for the Projects. City shall maintain the Property and the Option Parcel in its current condition during the term of this Agreement prior to conveyance of the Property and, if applicable, the Option Parcel except as otherwise provided for in this Agreement. City shall comply with the provisions of Section 6 of this Agreement.

5.5. City Cooperation. The City shall exercise its best efforts and cooperate with GlassHouse in submitting and obtaining any state and federal licenses, permits, and governmental authorizations necessary to the completion of the Projects; provided, however, except as otherwise provided herein, all costs associated therewith shall be the sole responsibility of GlassHouse. The City's obligations shall not affect the City's right and authority to act in regulatory matters in accordance with applicable laws or ordinances. GlassHouse acknowledges that the City does not, and as a matter of law cannot, agree by way of a contract to pre-approve its applications. This is because the law forbids the government from contracting away its legislative authority in the land development approval process. GlassHouse acknowledges that it has no claim or cause of action against the City in the event that the Project, and all elements thereof, are not approved by the City through the development review and approval process.

5.6. Available Incentives. The City and GlassHouse shall cooperate to obtain any incentives available pursuant to the Florida Brownfields Program or the federal brownfields program, including, but not limited to, obtaining Brownfield Assessment Grant funds from the U.S. Environmental Protection Agency to conduct the Phase 1 assesment.

5.7. Easements.

5.7.1. The City shall grant to GlassHouse a temporary construction easement for the purpose of allowing GlassHouse to utilize the vacant lot located at 224 S. Florida Avenue for staging and parking related to the construction of the Projects and the Public Parking Lot, as set forth in the site plans for each respective Phase. These easements shall be identified and agreed upon not

later than approval of the PD Agreement on the Property or the Option Parcel, as applicable, and shall be delivered upon the closings on the Property and the Option Parcel, as applicable.

5.7.2. Concurrent with the conveyance of the Property as set forth in Section 6, the City shall:

5.7.2.1. Convey to GlassHouse a ten (10') foot wide easement, in a location reasonably acceptable to GlassHouse and the City, for pedestrian ingress and egress across the Option Parcel, connecting the Property to lands lying South of the Option Parcel. Such easement shall run with the land and inure to the benefit of the individual unit buyers, property owners or condominium owner's association, and successors and assigns, to the Property.

5.7.2.2. The City shall reserve the Easement over, upon, under and across the Pedestrian Walkway.

5.8. No Pledge of Full Faith and Credit. The City's and the CRA's payment obligations hereunder do not, and shall not be deemed to, constitute a general obligation of the City or the CRA, nor do they constitute a pledge of the full faith and credit of the City or the CRA within the meaning of the Constitution and laws of the State of Florida. They shall be binding obligations only to the extent that City or CRA has funds available to meet them, and shall be subject to the City's or CRA's appropriation of such funds. GlassHouse' obligations to meet the deadlines set forth in Section 4.2 shall be tolled an equal time for any period in which the City or CRA fails to appropriate such funds.

5.9. Upon GlassHouse obtaining all necessary permits, approvals and authorizations from all applicable governmental authorities for the site development of the Property and construction of Building 1, GlassHouse will provide to the City a letter from a lending institution or other party reasonably acceptable to the City ("Loan Commitment"), or other reasonably acceptable evidence of financial capacity or other reasonably acceptable security guaranteeing completion of Phase 1 of the Project ("Proof of Financial Capacity"). Thereafter, the City will demolish the former Volusia County Jail building ("Jailhouse"), leave the Property cleared and development-ready, and remove all Asbestos from the Property, to be completed not later than one hundred twenty (120) days following the City's approval of the Loan Commitment in accordance with the following standards:

5.9.1. City has caused a survey of the Property to be conducted according to Florida Statutes, Chapter 469 ("Survey"), which was performed by an Asbestos Surveyor acting under the direction of a Florida licensed Asbestos Consultant. Within thirty (30) days of the Effective Date, the City shall provide GlassHouse with a copy of the Survey.

5.9.2. Prior to demolition of the Jailhouse and not later than one hundred twenty (120) days following the Effective Date, the City shall cause Abatement

specifications for Abatement of all Asbestos on the Property to be prepared by and under the direction of a Florida licensed Asbestos Consultant. The Abatement specifications shall provide for Abatement to be by Removal and Disposal of the Asbestos on the Property and not by Encapsulation, Enclosure or other means besides Removal and Disposal. The proposed Abatement specifications shall be provided to GlassHouse for review not later than thirty (30) days prior to the City releasing bids for the demolition work. GlassHouse shall have fourteen (14) days from receipt of the Abatement specifications to comment on them, but shall have no duty to comment and shall have no duty to the City or any other party in regard to any comment which GlassHouse makes in regard to the proposed Abatement specifications. Any comment made by GlassHouse is solely for the benefit of Glasshouse and for the benefit of no other person or party.

5.9.3. The Removal and Disposal of all Asbestos-containing Materials must be performed by a Florida licensed Asbestos Contractor and monitored by a Florida licensed Asbestos Consultant.

5.9.4. All Asbestos-containing Materials must be abated according to all applicable laws, rules and regulations including, without limitation, AHERA, ASHARA, NESHAP, NIOSH, Florida Statutes Ch. 469 and FAC Ch. 61E-1, and those of the United States Environmental Protection Agency, OSHA and the Florida Department of Environmental Protection.

5.9.5. Prior to closing and subsequent to the Abatement, and not later than thirty (30) days following completion of the Jailhouse demolition, the City shall cause an inspection of the Property to be performed by a Florida licensed Asbestos Consultant and the City shall provide a new or updated Survey reporting the results of said inspection to GlassHouse upon receipt of said Survey to provide reasonable assurance that the Asbestos on the Property has been abated.

5.9.6. GlassHouse's review of and comment on the asbestos Surveys and the Abatement specifications as described herein, and all other provisions of this section or otherwise related to Asbestos on the Property, the Abatement of Asbestos on the Property, the asbestos Surveys and the Abatement specifications, or any one or more of them, are solely for the benefit of GlassHouse, and do not, and shall not, create any duty on the part of GlassHouse arising from or related thereto.

5.9.7. All capitalized terms in this Section 5.9 which are not otherwise defined herein shall have the meaning as defined under Section 469.001, Florida Statutes, unless the context requires otherwise.

5.9.8. Each Asbestos Consultant and Asbestos Contractor as described herein must be licensed and financially responsible under the provisions of Florida law including, without limitation, FAC 61E1 and Florida Statutes Chapter 469.

If the cost to demolish the Jailhouse and remove the Asbestos exceeds the sum of three hundred thousand (\$300,000.00) dollars, the City shall give notice to GlassHouse within thirty (30) days of the City's receipt of the bid therefor but not later than one hundred twenty (120) days from the Effective Date, within which to notify GlassHouse of the amount of the overage. Upon the City giving such notice, GlassHouse will have the option of paying the excess amount or terminating this Agreement. GlassHouse must exercise its option to terminate by giving written notice of its election to do so within thirty (30) days of its receipt of notice of the amount of overage from the City. Following the City's receipt of GlassHouse's notice of termination, this Agreement will be deemed terminated and of no further force or effect. If GlassHouse does not notify the City of its election to terminate in said thirty (30) day period, then GlassHouse shall be deemed to have agreed to pay the difference and the amount of such difference shall be paid by GlassHouse to the City within thirty (30) days thereafter.

- 5.10. The City grants to GlassHouse a five-year option to purchase the Option Parcel (the "Option" as further defined herein). A memorandum of the Option will be recorded in the Public Records of Volusia County at the time of conveyance of the Property. The term of the Option shall be for a period commencing with recording of the Memorandum and shall run through five (5) years following the issuance of the first certificate of occupancy for a Project. The Option shall provide that GlassHouse is entitled to buy the Option Parcel for the lesser of (a) the fair market value (based upon an MAI appraisal certified to City, GlassHouse and GlassHouse's lender paid for by GlassHouse but obtained by the City from an appraiser on the approved list of appraisers by GlassHouse's lender) of the Option Parcel as of the date of transfer of title to the Property, with an adjustment for the change in the Consumer Price Index for all Urban Consumers, published by the U.S. Bureau of Labor Statistics, from the date of the appraised value to the date the option is exercised or (b) the then current fair market value as of the exercise of the option, determined by an appraiser selected and paid in the same manner as set forth above. Conveyance of the Option Parcel to GlassHouse pursuant to this option shall be subject to the following conditions:

- 5.10.1. GlassHouse shall be required to replace the existing displaced parking spaces in the Option Parcel, and as set forth herein, as well as provide all parking required for the development of the Option Parcel. Such displaced parking will be within two hundred fifty (250') feet of the Option Parcel. For the sake of clarity, the nearest point on any parcel of property upon which replacement parking is located shall be within two hundred fifty (250') feet of any point on the boundary of the Option Parcel. GlassHouse shall convey to the City fee simple title to the area containing the replacement parking, which shall include a minimum of two (2) ADA compliant handicapped parking spaces, drive aisles sufficient to fully access all parking spaces, and areas to support light fixtures for the parking spaces. GlassHouse shall also grant to the City one or more perpetual easements, if

the configuration of the remainder of the parking area so requires, allowing for access to the parking spaces conveyed to the City.

5.10.2. In the event that GlassHouse does not develop the Option Parcel with a minimum of three thousand eight hundred (3,800) square feet of commercial or mixed use development within five (5) years of conveyance of the Option Parcel by the City to GlassHouse, then the City shall have the option to repurchase the Option Parcel. In order to exercise this repurchase option, the City shall, not later than twelve (12) months following the expiration of the five year development period described above in this Section 5.10.2 (ie. six (6) years from the date of conveyance of the Option Parcel to GlassHouse), provide written notice of the City's election to repurchase. GlassHouse shall have one hundred eighty (180) days following the giving of such notice to obtain a site plan and complete building permits for the Option Parcel, and if GlassHouse does obtain the same, an additional eighteen (18) months from issuance of the building permits to complete construction of the improvements on the Option Parcel. Should GlassHouse fail to meet either deadline following notice from the City as set forth in this Section 5.10.2, then GlassHouse shall convey the Option Parcel to the City. At the time of conveyance of the Option Parcel to the City, the City shall pay to GlassHouse the full amount originally paid to the City by GlassHouse for the purchase of the Option Parcel and any costs related to recording fees, documentary stamp taxes, etc. related to such purchase. At the time of the conveyance of the Option Parcel to GlassHouse by the City, a memorandum of this repurchase option, and any other document reasonably necessary to render it enforceable, shall be recorded in the Public Records.

5.10.3. Any building located on the Option Parcel shall be limited to three (3) stories in height.

5.10.4. Any residential units shall be constructed to provide exterior sound attenuation, to an identifiable standard as set forth in the applicable PD Agreement. No residential units may be located on the first floor of the building fronting West Georgia Avenue.

5.11. Commencing with the first calendar year after the year of issuance of the certificate of occupancy for Phase 1, Building 1 (for the sake of clarity, January 1 of the year immediately following issuance of the said certificate of occupancy), and for a period of ten (10) years, forty five (45) days following payment by GlassHouse of the ad valorem taxes due in that year, the CRA shall pay GlassHouse an amount equal to the "pro rata portion" of ad valorem tax collections for Volusia County and the City of DeLand millage paid into the Downtown DeLand Community Redevelopment Trust Fund for Building 1 and the underlying lot on which it sits. The "pro rata portion" shall be determined by applying the ratio of the square

footage under roof that the offices for the company or employer referred to in the next to last sentence of this Section 5.11, up to a maximum of ten thousand (10,000) gross square feet or thirty three and 1/3 percent (33.33%) of the gross square footage of the building under roof, whichever is less, bears to the total square footage under roof of Building 1. The payment due each year will be made only after the ad valorem taxes for the entire Property have been paid for that year. In the event the said taxes on the Property have not been paid for any year, the aforesaid payment to GlassHouse shall be made by the CRA within sixty (60) days after the taxes have been paid. As a condition of this payment, during the year for which the payment is due, there must have been maintained on the Property during the year for which the payment is due one company or employer with a minimum of thirty (30) full time equivalent employees with an average annual salary of at least sixty seven thousand one hundred forty two and (00/100) dollars (\$67,142.00). There shall be no extension of the term of the abatement nor any partial or pro-rated payment for any year that they do not meet the minimum employment and salary standards and GlassHouse or any subsequent owner of Parcel 1 will not seek grants from the CRA during the abatement period.

6. Conveyance of Parcels.

- 6.1. Adequate Assurances. As a condition precedent to the City's obligation to convey the Property (but not the Option Parcel) as required by Section 5.2.1, GlassHouse shall provide and deliver its proof of Financial Capacity to the City at or before closing on the Property.
- 6.2. Conveyance. Conveyance of the Property shall be subject to the City's determination that GlassHouse has obtained all permits required to construct and has the financial ability to develop Phase 1, such determination not to be unreasonably withheld. In the event that construction of Phase 1 is to be financed through a private lending institution, equity group, or by means other than a commercial lending institution, then the City's determination shall be to the City's reasonable satisfaction of the financial ability of that entity.
- 6.3. Closing Date. Unless otherwise agreed to by the parties in writing, the closing date for conveyance of the Property shall be ninety (90) days after the Jailhouse has been removed from the Property, the Abatement of the Asbestos has been completed and the Property is cleared and ready for development (the "Closing Date"). As and when applicable, the closing date for conveyance of the Option Parcel shall be the later of GlassHouse completing the improvements for the Public Parking Lot required by Section 3.5 of this Agreement (unless the temporary easement as described in Section 3.5.1 is provided) or sixty (60) days following GlassHouse providing the City with notice that it is exercising the said option. The Closing Date or the closing date for the Option Parcel may be extended for up to one month pursuant to a written agreement executed by GlassHouse and the City Manager without the necessity of amending this Agreement.

- 6.4. Form of Conveyance and Closing Costs. The City shall convey the Property and, as applicable, the Option Parcel, to GlassHouse pursuant to a special warranty deed. Documentary stamp taxes, if any, on the special warranty deed shall be the expense of GlassHouse. GlassHouse shall pay for the cost of recording curative instruments, the title insurance commitment, and the owner's title policy if issued, recording of the deed and all expenses associated with any financing. Each party shall pay its respective attorney's fees. Conveyance shall be subject to a reservation by the City of the Easement, the terms and conditions of which shall be agreed upon between the City and GlassHouse in the PD Agreement applicable to the Property (but which may be subsequently amended by agreement between them without amending the PD Agreement). The Easement shall provide for the City to restore any damage caused by or related to its use of the Easement including, without limitations, arising out of its maintenance, repair or replacement of the City's facilities within the Easement.

The conveyance of the Property shall also be subject to a reverter clause ("Reverter Clause") reserved by the City. The terms and conditions for the Reverter Clause shall be agreed upon between the City and GlassHouse prior to closing on the Property. The general conditions of the Reverter Clause shall be that, unless extended by this Agreement (including, without limitation, Sections 4.5 and 12) or by mutual agreement of City and GlassHouse, construction of Phase 1, Building 1 must have commenced within twenty four (24) months from the closing on the Property, and must be ready for occupancy within thirty six (36) months from the commencement of construction. If either deadline is not achieved, the City may at any time thereafter (while that condition continues to exist) serve GlassHouse with the City's notice of intention to invoke the Reverter Clause, which notice shall state with specificity what deadline has not been met. GlassHouse shall have one hundred-eighty (180) days after receipt of the City's notice within which to cure that condition. After the expiration of the one hundred eighty (180) day period and prior to the time the condition has been cured, City may then invoke the Reverter Clause by providing written notice to GlassHouse of such election. Within fifteen (15) days of such notice, GlassHouse shall convey title of the Property by special warranty deed. Upon the City sending such notice, the Option shall automatically terminate. Should GlassHouse fail to convey the Property to the City, the City shall be entitled to immediately seek specific performance of this provision in a court of competent jurisdiction. A memorandum setting forth the terms of the Reverter Clause shall be recorded in the Public Records of Volusia County, Florida. The City will subordinate the reversionary interests evidenced by the Reverter Clause to any commercially reasonable mortgage recorded against the Property which mortgage is solely for the development of the Property. Once development of the Property is completed, this reversionary interest will terminate and otherwise be deemed to be extinguished, and the City shall record a notice of the termination of the reversionary interest in the Public Records upon completion of the development of the Property.

- 6.5. Payment by GlassHouse. Except as otherwise set forth herein, GlassHouse shall provide payment of the following:

- 6.5.1. Closing costs as set forth herein associated with conveyance of the Property and as applicable, the Option Parcel, except that the City shall bear its own attorney fees.
- 6.5.2. City application fees associated with the entitlement process.
- 6.5.3. City and County impact fees, subject to any applicable credits.
- 6.5.4. City permit fees.
- 6.5.5. All other typical development fees related to development of the Project.
- 6.6. AS IS. Except as otherwise provided in this Agreement, the City is not making and specifically disclaims any warranties or representations of any kind or character, express or implied, with respect to the Property and, as applicable, the Option Parcel. GlassHouse agrees that with respect to the Property and the Option Parcel, GlassHouse has not relied upon and will not rely upon, either directly or indirectly, any representation or warranty of the City (except as expressly set forth in this Agreement) or any agent of the City. GlassHouse represents that it is a knowledgeable purchaser of real estate and that (except as to the express representations and warranties as set forth in this Agreement), it is relying solely on the Geotechnical Survey, Phase 1 (and Phase 2, as applicable), and the surveys and Survey provided by City pursuant to Sections 5.2.5, 5.2.6 and 5.9, respectively), and its own expertise and that of its consultants, and that in addition to the inspection reports provided by the City, GlassHouse will conduct such inspections and investigations of the Property and, if applicable, the Option Parcel, including, but not limited to, the physical and environmental conditions thereof, and shall rely upon same, and, upon closing, shall assume the risk that adverse matters, including, but not limited to, adverse physical and environmental conditions, which may not have been revealed by those inspections and investigations. GLASSHOUSE ACKNOWLEDGES AND AGREES THAT UPON CLOSING, THE CITY SHALL SELL AND CONVEY TO GLASSHOUSE, AND GLASSHOUSE SHALL ACCEPT THE PROPERTY AND, AS APPLICABLE, THE OPTION PARCEL "AS IS, WHERE IS," WITH ALL FAULTS, AND THERE ARE NO ORAL AGREEMENTS, WARRANTIES, OR REPRESENTATIONS (EXCEPT AS SPECIFICALLY PROVIDED HEREIN OR IN THE DEED TO BE DELIVERED AT CLOSING), COLLATERAL TO OR AFFECTING THE PROPERTY AND, IF APPLICABLE, THE OPTION PARCEL BY CITY, ANY AGENT OF THE CITY OR ANY THIRD PARTY ACTING FOR OR ON BEHALF OF THE CITY. The terms and conditions of this Section shall expressly survive the closing and not merge into the deed(s) to be executed and delivered at Closing.
- 6.7. Title Insurance.
 - 6.7.1. GlassHouse shall obtain, at GlassHouse's expense, within thirty (30) days of the Effective Date, a commitment (the "First Commitment") for an

Owner's Title Insurance Policy agreeing to insure title to the Property and the Easements or, at GlassHouse's election, the Property, the Easement and the Option Parcel, in an amount that GlassHouse estimates is equal to the value of the Property, the Easement and, as applicable, the Option Parcel. The First Commitment shall be subject to: no exceptions other than those matters herein permitted; those which will be discharged prior to or at Closing; and the standard printed exceptions and exclusions from coverage customarily contained in an Owner's Policy from the title company.

- 6.7.1.1. GlassHouse shall provide the City a copy of the First Commitment within ten (10) days of receipt of same.
- 6.7.1.2. Within thirty (30) days of its receipt of the First Commitment, GlassHouse shall notify the City of any objections thereto. If GlassHouse fails to do so, it shall be deemed to have accepted the First Commitment and title to the Property and the Easements and, as applicable, the Option Parcel, as evidenced thereby.
- 6.7.1.3. GlassHouse shall take title subject to zoning, restrictions and prohibitions imposed by governmental authority which would not inhibit, restrict or prohibit redevelopment of the Property, the Easements and Option Parcel consistent with the CDP. No other restrictions and/or easements shall affect the title.
- 6.7.1.4. If the First Commitment discloses unpermitted exceptions or matters that render the title non-marketable or otherwise objectionable to GlassHouse in its sole discretion, the City, at its option, shall have forty-five (45) days from the date of receiving written notice of defects from GlassHouse within which to have the exceptions removed from the First Commitment, or the defects cured to the reasonable satisfaction of GlassHouse. If the City fails to have the First Commitment exceptions removed or the defects cured within the specified time, GlassHouse may terminate this Agreement, or GlassHouse may elect, upon notice to the City within ten (10) days after the expiration of the curative period, to take title as it then is notwithstanding such exceptions or title defects.
- 6.7.2. Thereafter, GlassHouse may obtain at GlassHouse's expense, within thirty (30) days prior to Closing on the Property, the Option Parcel, or both, an updated commitment (a "Subsequent Commitment") for an owner's title insurance policy.
 - 6.7.2.1. In the event that a Subsequent Commitment contains any unpermitted exceptions or matters that render the title non-marketable; and such exceptions or matters were not set forth in the First Commitment, the following provisions shall apply:

6.7.2.1.1. In the event that the new exceptions or matters arise by, though, under or against the Property or, as applicable, the Option Parcel, the City shall exercise reasonable diligence in the curing of any such exceptions or matters, including the payment and discharge of any liens or encumbrances affecting the title of the subject lands.

6.7.2.1.2. Otherwise, the provisions of Section 6.7.1.4 shall apply.

6.7.3. At closing, the City shall provide a standard seller's affidavit so the title company may provide GlassHouse with standard "gap" coverage in the custom as established by title insurance practices in Florida.

6.7.4. Subsequent to closing, the title company, at GlassHouse's expense, shall provide an owner's title policy showing good and marketable title in GlassHouse through the date of recording the special warranty deed and subject only to the permitted exceptions and any matters created at closing.

6.7.5. The Closing of each Parcel shall be thirty (30) days after the later of: (a) the date that the City advises GlassHouse that it elects not to cure the title defects or the expiration of the time frame for the City to cure the defects (if it elects to do so); or (b) the time for closing expressly set forth in the Agreement.

7.3. To the knowledge of the City and the CRA, there is no suit, litigation or action pending or threatened against the City or the CRA which questions the validity of this

- 7.7. The City and the CRA shall discharge, vacate, or release any lien, encumbrance, easement, right-of-way or other property interest the City or the CRA has or owns on or in the Property and, as applicable, the Option Parcel (other than those arising under this Agreement) on or before the closing of the conveyance of the Property and, as applicable, the Option Parcel to GlassHouse.
- 7.8. The City and the CRA represent that the Property and the Option Parcel are not on any "Superfund" list under any applicable environmental law, nor is the Property or the Option Parcel currently subject to any lien related to any environmental matter. Except as specifically set forth herein, the City and the CRA make no other representations or warranties, expressed or implied, concerning the environmental condition of the Property or the Option Parcel.

8. **Representations and Warranties of GlassHouse.** GlassHouse hereby represents and warrants the following:

- 8.1. GlassHouse is a validly existing limited liability company under the laws of the State of Florida, has all requisite power and authority to carry on its business, to own and hold property, to enter into and perform its obligations under this Agreement and consents to service of process on its registered agent in Florida.

- 8.2. This Agreement and each document to which GlassHouse is or will be a party has been duly authorized and will be executed and delivered by GlassHouse and neither their execution and delivery, nor compliance with the terms and provisions: (i) requires the approval and consent of any other party, except as have been obtained or as are specifically noted herein, (ii) contravenes any existing law, judgment, governmental rule, regulation or order applicable to or binding on GlassHouse, or (iii) results in any default or results in the creation of any lien on the property or assets of GlassHouse which will have a material adverse effect on its ability to perform its obligations hereunder.
- 8.3. This Agreement and each document contemplated to which GlassHouse will be a party, will constitute a legal, valid and binding obligation of GlassHouse enforceable against GlassHouse in accordance with the terms thereof, except as such enforceability may be limited by applicable bankruptcy, insolvency or similar laws from time to time in effect which affect creditors' rights and subject to usual equitable principles if equitable remedies are involved.
- 8.4. To the knowledge of GlassHouse, there is no suit, litigation or action pending or threatened against GlassHouse, which questions the validity of this Agreement or which will have a material adverse effect on its ability to perform its obligations hereunder.
- 8.5. GlassHouse shall use its best efforts to timely fulfill all of the conditions and obligations expressed in this Agreement which are within the control or are the responsibility of GlassHouse.

8.10. GlassHouse shall promptly notify the City Manager in writing of any actual or reasonably anticipated delays in the construction of the Projects.

9. Default

9.1. Force Majeure. Neither party shall be held in default of this Agreement for any delay or failure of such party in performing its obligations pursuant to this Agreement if such delay or failure is caused by Force Majeure as set forth below.

9.2. Notice and Opportunity to Cure.

9.2.1. Prior to declaring a default hereunder, other than with regard to the situations specifically enumerated in Sections 3.2.1, 3.4.1, 5.2.6, 5.9 and 6.4, the non-defaulting party must provide the defaulting party with written notice and at least thirty (30) days to cure such default; provided, however, if the default is of a nature that cannot be reasonably cured within such 30-day period, then the defaulting party shall be allowed a reasonable period of time to cure such default provided that it diligently commences the cure within the 30-day period and thereafter diligently undertakes and pursues such cure to completion.

9.2.2. Further provided, however, that no prior notice or opportunity to cure needs to be provided in the event the defaulting party has previously breached a provision of this Agreement, and thereafter breaches the same provision.

If a default occurs, the non-defaulting party may terminate this Agreement as to any portion of the Property or Option Parcel that have not yet been conveyed, institute an action to compel specific performance or seek other equitable relief, or suspend its own performance hereunder, or pursue any other remedy available at law or equity other than a suit for damages. In the event that the City shall fail to convey the Property or Option Parcel pursuant to this Agreement, and GlassHouse shall not otherwise be in material and substantial default of this Agreement, then GlassHouse shall provide the City written notice of such default. The City shall have thirty (30) days from receipt of such notice to cure its default. SUBJECT: Resolution Approving Sole Source Purchase of Lighting for Melching Field - Musco Lighting.

DEPARTMENT: Parks & Recreation

PREPARED BY: rick hall, P&R Director

ATTACHMENTS: Resolution, Attached Letter-Melching Field at Conrad Park Baseball Value Letter, Melching Field Musco Lighting Quote

APPROVED BY: Michael Pleus, City Manager, February 28, 2022

SUMMARY/HIGHLIGHT:

As part of the Melching Field project, new LED field lights are scheduled to be installed. The LED lights will be a significant energy savings and will also increase the life span of the lights. 100% of all our fields and courts are Musco-designed lights. Melching Field lights are included in this group. The lights at Melching include all Musco products including the poles, brackets, electrical, and all other hardware. Due to the fact that all the existing items are Musco, the cost of using Musco for the lights and installation will be a savings. Additionally, Musco LED light glare and spillage is the best in the industry. This is significant as it will reduce glare from nearby traffic, businesses and residents. Musco also has the best warranty, as it calls for 10-year parts and service at no cost to the customer. Also included, which we currently have on several of our fields, is Musco's Control - Link System, which provides comprehensive scheduling assistance, system monitoring, secure password protected access, automated equipment controls, and valuable usage data. In addition to the above factors, by the City procuring the lights directly, there will be cost savings in taxes as well as contractor mark up.

This experience combined with our technology provides the "sports complex look" that customer's desire.

Light-Structure System

For 40+ years the Musco Light-Structure System with its 5 Easy Pieces has delivered long-term performance to customers. The complete system from foundation to poletop is designed and engineered to work together; factory built utilizing advanced robotic "error proofing" manufacturing, wired, aimed and tested to assure reliable, trouble-free operation. Features like easy to reach remote drivers, integrated grounding and surge protection to ensure the longevity of the LED's sensitive electronic components. Enhanced corrosion protection is applied and provided for every project in Florida and is particularly important for your facility due to its proximity to the Gulf.

On Field Lighting Performance

Musco TLC for LED provide precision aiming combined with high-level glare control for better than ever on-field playability. Recently introduced is a new feature never before used on sports lighting – Ball Tracking. Ball Tracking positions LED fixtures lower on the pole to provide light on the player's side of the ball for aerial sports. Combined with the glare control from the down light fixtures, a new level of playability is the result. Field-to-field playability is also enhanced due to the light control and reduced glare from adjacent fields.

Safe Environment for Participants and Fans

Musco guarantees the light-levels and structural integrity of the system (Per Florida Building Code – 140mph) for 10-years. The electrical infrastructure, including grounding, will be updated per code. Your facility will meet tournament and league standards for light-levels and uniformities while providing a structurally and electrically safe system for participants and fans.

Light Trespass & Glare Control

LED is a relatively new light source for sports lighting applications and controlling the environmental impact of its intensity is critical. Our industry leading environmental light control technology has been improved with the TLC LED luminaire. Independent testing laboratory reports confirm that Musco is the undisputed leader in controlling off-site and field-to-field glare. Side by side analysis and independent testing has shown alternate LED technologies can produce over one hundred times the unwanted candlepower (glare) to adjacent properties.

Warranty - 10 years Parts and Labor

Musco's confidence in the performance of the Light Structure System with TLC 1500 LED is best expressed by our guarantee of that performance for 10 years, with no additional cost to the owner. The 10-year contractual commitment is a product assurance and warranty program that includes guaranteed light levels, parts and labor for maintenance, system monitoring and 24/7 support from Control-Link Central. The warranty is monitored by Musco's Control-Link system. The monitoring and diagnostic system is designed to evaluate outages and provide feedback to identify service needs.

Control-Link System

The City of Delad has relied on the Musco Control-Link system to control and monitor its facilities for nearly 20 years. Control-Link provides comprehensive scheduling assistance, system monitoring, secure password-protected access, automated equipment controls, and valuable usage data.

Our commitment after the sale is supported by a team of over 140 Musco employees whose primary focus is to assist customers with their scheduling and service needs. Our exclusive Control-Link Central team is located in Iowa and is staffed 24/7 to assist with your scheduling and reporting needs. Our team managed over 75,000 schedules in Florida alone last month.

CITY OF DELAND
Request for Commission Action
March 7, 2022

SUBJECT: Consideration re Short List Recommendations from Melching Field Stadium Improvements - Design Build RFQ.

DEPARTMENT: Public Service

PREPARED BY: Chad Gamble, Public Services Director

ATTACHMENTS:

APPROVED BY: Michael Pleus, City Manager, March 1, 2022

SUMMARY/HIGHLIGHT:

Pursuant to Florida State Statutes §287.055(9), that outlines the design-build criteria and selection process, and the policies and procedures of the City of DeLand, staff advertised Request for Qualifications 2202. The objective of this RFQ was to identify and seek competitive qualifications from qualified Design-Build Teams to provide services to design, permit and construct improvements to Melching Field in accordance with the supplied design criteria package and design book.

The city received four submittals in response to the RFQ on or before the deadline of 3:00 p.m., Tuesday, February 15, 2022. The four teams that submitted responses are:

- Scorpio Corporation
- Coleman Goodemote Construction Company, Inc.
- Wharton – Smith, Inc.
- BCC Construction, LLC

The Melching Field Stadium Improvements is a cooperative endeavor between Stetson University and the City of DeLand. To that end, multiple members of each organization were selected to serve on the selection committee for the overall design build team selection process. Those individuals (Selection Committee) are listed below:

- Steve Trimper (Stetson University)
- Jeff Altier (Stetson University)
- Bonita Dukes (Stetson University)
- Robert Apgar (Mayor, City of DeLand)
- Rick Hall (City of DeLand)
- Chad Gamble (City of DeLand)
- Brad Keith (City of DeLand)
- Keith Riger (City of DeLand)

The selection committee reviewed and evaluated the submittals in a public meeting held at 9:00 a.m., Thursday,

February 24, 2022. It should be noted that the City has not used the design-build procurement process in many years and there was some confusion at the meeting surrounding the waiving of qualification requirements for the submitting firms. A majority, but not all, of the committee members voted to waive certain instances of non-compliance with the minimum requirements of the RFQ so that all four companies that made submittals could be deemed qualified. Subsequent to the meeting, one of the four companies making submittals, BCC Construction, LLC, withdrew their submission. Of the three remaining companies, one of the companies, Coleman Goodemote Construction Company, Inc., had submitted a letter from their bonding company, as required by the RFP, but their bonding company has an A as opposed to an A+ rating from AM Best. The RFQ required an A+ rating, but the entire committee voted to waive this minor irregularity in the submissions and Coleman Goodemote Construction Company, Inc. has since supplied the City with an updated letter from a bonding company with an A+ rating.

The three remaining teams will be invited to submit proposals for the Design Build Proposal for the Melching Field Stadium Improvements issued in February of 2022.

STRATEGIC PLAN FOCUS AREA/ACTION STEP:

Community, History, Citizens – Current Asset Protection and maintenance, Facilities and Infrastructure.

SUSTAINABILITY:

Energy Efficient Buildings and Infrastructure.

FISCAL IMPACT:

Approval of the short list has no fiscal impact at this time.

RECOMMENDATION:

Staff recommends that the City Commission find that the following companies are qualified to submit proposals for the Melching Field Stadium Improvements: Scorpio Corporation; Coleman Goodemote Construction Company, Inc., Wharton – Smith, Inc.

BACKGROUND/DISCUSSION:

Assuming the City Commission determines that the three companies identified above in this RCA are qualified, the City plans on issuing a Melching Field Stadium Improvements Design Build Request for Proposal package on March 11, 2022 based upon the design criteria package created for the City by CPH.

CITY OF DELAND
Request for Commission Action
March 7, 2022

SUBJECT: Resolution Approving Procurement of K-9s Using "Special Law Enforcement Trust Fund."

DEPARTMENT: Police

PREPARED BY: Jason Umberger, Police Chief

ATTACHMENTS: Resolution

APPROVED BY: Michael Pleus, City Manager, February 28, 2022

SUMMARY/HIGHLIGHT:

The procurement of K-9s using funding from the "Special Law Enforcement Trust Fund" is being proposed for approval by the City Commission.

STRATEGIC PLAN FOCUS AREA/ACTION STEP:

High Value Government.

SUSTAINABILITY:

N/A

FISCAL IMPACT:

The proposed procurement of K-9s is an eligible use of non-ad valorem revenues under the provisions of Section 932.7055(5)(c), *Florida Statutes*, which pertains to the administration of the "Special Law Enforcement Trust Fund". Thus, the procurement is a sound use of a funding source which has no impact upon the taxpayers of the City.

RECOMMENDATION:

The staff recommends that the City Commission approve the Resolution which authorizes the procurement of K-9s using funds derived from the "Special Law Enforcement Trust Fund."

BACKGROUND/DISCUSSION:

A police dog, also known as K-9, is a dog specifically trained to assist members of law enforcement. Dogs have been used in law enforcement since the Middle Ages. In modern times, law enforcement canine handlers utilize K-9s to physically apprehend subjects, detect explosives, conduct searches of explosive materials near building exteriors, parking lots, office areas, malls, schools, vehicles, packages and persons in and around public building facilities. K-9s can also be specifically trained to detect various explosive or chemical compounds and be certified in explosive odor detection.

The Police Department desires to procure K-9s using funds derived under the provisions of Section 932.7055, *Florida Statutes*, the *Florida Contraband and Forfeiture Act*. Upon the Police Chief making the recommendation herein and the City Commission adopting the attached Resolution, the City will be authorized

to expend law enforcement trust funds for this purpose and the funds are available in the Special Law Enforcement Trust Fund account. The proposed use is not a normal operating expense of the Police Department.

The Police Department will utilize its procured K-9s for the purposes of crime prevention, demonstration and community outreach. The dogs will be full-service German Shepherds, trained in apprehension, narcotics detection and article searches thereby benefitting the Police Department by providing the capability of tracking and apprehending felons which is not available at the current time. In addition, and first and foremost, the use of K-9s will provide for the safety of law enforcement officers in the field who may avoid the need to enter a structure to search for a suspect in that K-9s have the ability to track and apprehend a suspect in areas where a patrol officer may not be able to enter or perceive a criminal's presence. This more importantly provides for the enhanced protection of victims and those citizens proximate to criminal activity. The Department's overall mission is to provide community outreach which is tremendously enhanced by means of a high-quality team of K-9s working with law enforcement personnel and citizens of the City.

National Canine Training, LLC (which was also known as Central Florida K-9 and Galloway K-9 Consulting Group, LLC) is headquartered in Eustis, Florida and employs 19 full-time staff and has been selected as the vendor for the procurement. The owner of the vendor, Richard "Rock" Galloway has over 35 years as a K-9 handler, K-9 commander, trainer, evaluator and judge for law enforcement, civilian and sport dogs. A Department of Defense kennel master in Afghanistan, he has authored numerous articles, appeared in the media as an expert, teaches seminars and in dog psychology, problem solving, aggression and deployment and serves as a consultant for law enforcement, military and security companies worldwide. The vendor uses multiple breeders throughout the United States and Europe in order to obtain K-9s in a very selective manner in that those offered for sale have undergone elaborate training techniques in order to ensure that they are suitable for customers which selection process would allow the City law enforcement personnel to not utilize their time and limited knowledge of certain breeds and types of dogs to select the best K-9s possible for the City. Prior to sale to the City, a pedigree check will be completed of each canine as well as a full medical check by a veterinarian staff to ensure that there are no issues with the K-9s that are purchased by the City.

The implementation of the provisions in the attached Resolution such as the approval and execution of procurement documents relating to the procurement of K-9s, as authorized by the City Manager upon recommendation of the Police Chief, is delegated to the City Manager.
